What is the Food Bank Houten?

We help anyone in Houten who has too little money to buy enough food for their household.

As a customer of the foodbank you get weekly food packages. We provide food packages as long as needed.

Shopping at the Food Bank

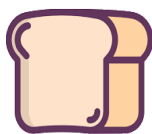

You can pick up your food package on Friday afternoons between 12:30 and 3:30 p.m. If you are not able to come, we will find an alternative solution.

Our Food Bank works like a 'supermarket'. All available products are placed on shelves and you choose what you need.

The food?

What's on our shelves differs every week. But there are always fresh vegetables, meat, bread, dairy, pasta and spreads.

The food is donated to us; by companies, supermarkets, churches and private persons. The Food Bank does not buy food.

How do I apply?

You can apply yourself or via a carer. You can apply via our website, by e-mail or by phone.

After we receive the application, we will see if you qualify. We do this based on standards that apply to all Food Banks. But above all, we will look at your personal situation.

We will help you as soon as possible. If necessary, you will have a food package the same week.
